# WHAT IS BIG MONEY GOLF?

Big Money Golf, LLC and The Big Money Golf Scramble is about three things, GOLF, major prizes, and supporting a great local charity! Big Money Golf gives golfers the opportunity to get their competitive spirits back. This 4 person scramble, with no mulligans, gives teams an honest chance at fighting for the first place prize of \$5,000\*(based on full field), while raising money to give back to charities involving first responders in the Lima community.

We want BIG MONEY GOLF to be an experience that is not your typical golf outing.

Along with what the teams have the potential of winning, we want to partner with local and national companies that think outside of the box, and want to get the exposure they deserve at an experience like this. From Hole Ownerships, where companies/brands can come out and "own" their hole for the day, grilling, passing out goods, and mingling with potential customers, to Title, Putting Green, Catering, Driving Range, Hole-In-One, Long Drive, and Beverage cart sponsors. These are ways that you can get involved with Big Money Golf. We will work with your team to create a custom experience for your company/brand,

Cordially

# CHARITY INVOLVEMENT

## Big Money Gives Back

Giving back to the community is a huge part of Big Money Golf. In the last two years, Big Money Golf has partnered with The Equestrian Therapy program in enhancing their visibility and donating not only to the charity, but giving the charity the ability to be present the day of the event, selling 50/50 tickets, silent auctions, and raffle tickets to raise more funds.

This year, we will be donating to charities that involve local first responders as well as support charities that assist veterans that have been wounded in combat
